

Dear Homeowners & Residents,

We are writing to share the following Tower Ranch Community updates that you may find of interest.

FireSmart Canada

Thanks to the efforts of the Tower Ranch FireSmart Committee in partnership with the Kelowna Wildfire Mitigation Expert, Tower Ranch has received national recognition as a FireSmart Community. This recognition celebrates their efforts in taking critical steps to reduce vulnerability to wildland fire.

A celebration and information event will take place at the Tower Ranch Community Association Lounge on Saturday, May 03, 2025. Stay tuned for details. In the interim they are reaching out to neighbours for door prize donations to support the event, such as local experiences, products, and/or items, and welcome any other contributions. If you are interested in donating, or have any questions, please feel free to email trfiresmart@telus.net by April 17, 2025.

Little Free Library

Through the generous donation from the City of Kelowna and the Central Okanagan Foundation the community has received a grant for the costs of construction and installation of a Little Free Library at the entrance to the Tallgrass Park. A passerby will be able to take a book to read or leave one for someone else to find and enjoy. We are seeking a volunteer "steward" to construct and install the library. Please contact Heidi Enns at 778-753-1243 (landline) if you are interested.

Tallgrass Park Play Box

The Tallgrass Park Playbox is full of outdoor toys and games to play with for free and offers adults, parents, grandparents and caregivers games and sports equipment to get outdoors and engage with other families through active play and help foster social connectedness. Thanks to the Tower Ranch Community Association, many of the toys have been replaced this year. We appreciate your continued cooperation in ensuring the equipment is returned in good condition into the playbox. The toybox access is managed by neighbourhood volunteers and are seeking additional assistance so that uninterrupted access can be provided during daylight hours. Please contact Heidi Enns at 778-753-1243 (landline) if you are interested. The Playbox opens Saturday, March 15 weather dependent.

Kind regards,
TRCA Board of Directors
