

Hello Homeowners & Residents,

We trust this email finds you well.

For those that may not be aware of the existing signage or previous communication regarding pedestrian access to the Tower Ranch Golf Course, we remind you to please refrain from walking on the golf course cart paths and property.

The golf course is private property and there have been recent incidents with close calls where workers have reported almost running over people and/or their dogs with equipment. For your safety, the safety of your pet(s), and out of respect for the golf course owners and employees, please stay off the course.

Thank you for your understanding and cooperation

Kind regards,

TRCA
