Hello Homeowners & Residents,

We are sharing this information as a courtesy to the Tower Ranch Golf Course and because it is extremely important for your and their workers' safety:

**Strict Reminder – Golf Course Access**

Dear Residents,

This is a firm reminder that the golf course is private property and residents are strictly prohibited from entering under any circumstances — not even to collect golf balls.

Heavy equipment is currently in use, and pesticides are being applied. Anyone on the course is putting themselves and our staff at serious risk. There are no exceptions to this rule.

We appreciate your full cooperation in keeping everyone safe.

Thank you,  
Jason Manager  
Tower Ranch Golf Course
