Hello Homeowners & Residents,

We want to make you aware that the RCMP had increased surveillance in our area due to a number of recent package thefts reported within the neighbourhood.

With the holiday season approaching, and more deliveries arriving at homes; we encourage all residents to take simple steps to help prevent theft, including:

- Have a neighbour pick up your packages if you will not be home.
- Use delivery notifications and retrieve items as soon as possible.
- Consider directing deliveries to a secure pickup location when convenient.
- Report any suspicious activity directly to the RCMP.

Thank you for your cooperation in helping keep our community safe and looking out for one another.

Kind regards,
Tower Ranch Community Association
