Hello Homeowners & Residents,

### Respect for Golf Course Property & Staff

As your volunteer Board, we are committed to supporting a safe, respectful, and connected community. Recently, however, we have become increasingly concerned about ongoing issues involving residents accessing the private property of the Tower Ranch Golf Course.

Over the past month, we have sent **two reminders** asking homeowners not to walk on the golf course or its cart paths, as the area is both **private property** and an **active worksite**. Despite these notices, staff continue to encounter individuals on the course.

**Today, Monday, November 17, 2025** a more serious incident occurred. A golf course employee, approached a couple walking on the course and politely reminded them that the area is off limits. The male resident responded aggressively, raising his voice, getting in the employee's personal space, and making inappropriate comments; including a threat to report the staff member to WCB. We have since learned that two other staff members had similar encounters with the same couple in recent weeks.

This behaviour is unacceptable. No employee whether at the golf course, in our community, or anywhere should ever be subjected to intimidation or verbal abuse while simply doing their job.

**We ask all residents to:**

- **Refrain from accessing the golf course or cart paths at all times.**
- **Show courtesy and respect to staff who are fulfilling their responsibilities.**
- **Remind neighbours or visitors of these expectations, should the need arise.**

If you are aware of the individuals involved in the recent incident, we encourage you to speak with them directly. It will be up to the Golf Course ownership and management to determine how they wish to pursue the continuing issues of trespassing.

As a volunteer Board, we strive to represent the community's best interests. Incidents like this undermine the positive, respectful, and collaborative environment we work hard to build and maintain between our community and the golf course.

We appreciate your support in ensuring Tower Ranch remains a safe, respectful, and welcoming place for everyone.
