Hello Homeowners and Residents,

Thank you to everyone who took the time to share your thoughts and feedback regarding the recent notification about Tower Ranch Boulevard maintenance. We were especially encouraged by the pride residents expressed in Tower Ranch and by the respectful, thoughtful way feedback was shared. It was clear that people care deeply about where they live and want to see the community continue to thrive, something we greatly value as a Board.

We also acknowledge that the recent boulevard maintenance communication raised concerns for some members regarding process and member involvement. We appreciate those perspectives and the opportunity to reflect and listen.

As a volunteer Board and as neighbours within Tower Ranch, our intention is always to act thoughtfully and in the best interests of the community.

We care deeply about this neighbourhood and the decisions that affect it. The Boulevard Maintenance notification was issued as part of the Board's due diligence in understanding and adhering to prescribed maintenance responsibilities, as recently clarified by the City of Kelowna, and in ensuring that services funded through community fees align with our contractual obligations.

After listening carefully to the feedback received, the Board has decided to pause implementation of the proposed change and bring this matter forward for discussion at the upcoming Annual General Meeting (AGM), currently planned for the end of May. The AGM will provide an opportunity for open conversation, questions, and meaningful member input

on how boulevard maintenance should be handled going forward. In addition, the Board is reviewing opportunities to enhance beautification and landscaping along secondary routes into our community. This review will also be brought forward for member input, with the goal of improving the overall look and feel of Tower Ranch in a thoughtful, fair, and sustainable way.

We encourage all members to attend the AGM and participate in this important discussion. Further details regarding the specific date and AGM agenda will be shared in advance.

Thank you for your continued involvement and commitment to Tower Ranch.

Sincerely,

The Board of Directors

Tower Ranch Community Association
