Dear TRCA Homeowners and Residents,

We hope you are enjoying the beautiful weather and the Clubhouse lounge and fitness facilities.

As part of our ongoing efforts to maintain a clean, safe, and welcoming environment for all residents, the TRCA and the Tower Ranch Golf Course (TRGC) are formally making you aware of the **no pets policy within the Clubhouse**, including the lounge and fitness areas.

### **Why this policy?**

This decision is in place for the consideration of:

- Hygiene, and cleanliness in shared indoor spaces;
- Food Premises Regulation under the Public Health Act (British Columbia);
- Allergy sensitivities among residents; and
- Safety and comfort for all users of the facilities.

While we know pets are valued members of many households, shared indoor amenities require consistent standards to ensure everyone can enjoy them comfortably.

### **What this means:**

- Pets are not permitted in the Clubhouse at any time;
- The Lounge and Fitness User Waiver Forms will be updated to reflect this policy; and
- Failure to comply will result in suspension of fob access.

**Exceptions:**

Residents with **properly documented service dogs** may submit their documentation to TRCA and TRGC for review and consideration of an exception.

We appreciate everyone's cooperation in respecting this policy moving forward. To review the Fitness Centre Rules and Regulations you can click [here](#). The updated Lounge Waiver is also available by clicking [here](#).

Thank you for helping us keep our shared spaces enjoyable for all.

Warm regards,

**TRCA Board of Directors**
