Call for Nominations BOARD OF DIRECTORS

If you've ever looked at a community project and thought, "*I have opinions about this*" - this may be your moment.

We welcome those willing to contribute their time, judgement, and occasionally their patience, in service as a Director for the Tower Ranch Community Association.

Are you a homeowner who is home enjoying the Okanagan for most of the year and available to attend regular Board meetings, typically held once per month on Monday evenings at 6:00 pm?

A sense of humour is not a requirement - but it may help on budget nights, especially when even the numbers occasionally need a second opinion (or a strong bevy).

The Board of Directors is responsible for the stewardship, governance, and oversight of the Association, and plays an important role in guiding decisions that support the long-term interests of the community.

Directors are expected to:

- Attend and actively participate in monthly Board meetings;
- Review materials and contribute to decision-making on Association matters;
- Act in the best interests of the Association and its membership; and
- Work collaboratively and respectfully with fellow Directors.

Members who are interested in serving are encouraged to consider putting their name forward by:

- Contacting the TRCA Board, which has the authority to appoint up to nine Directors by resolution; or
- Standing for nomination at the AGM by a proposal signed by not less than 5% of Members entitled to vote at the meeting at which the proposal is

to be presented.

Please contact the TRCA at trcacommittee@gmail.com.

Kind regards,
TRCA Board of Directors
