Hello Homeowners & Residents,

We have a few community reminders and updates we would like to share with you.

1. Golf Course Property & Yard Alterations

The Tower Ranch Golf Club has asked us to remind homeowners whose properties back onto the golf course that **alterations or additions to golf course property are not permitted.**

This includes landscaping changes, additions, placing materials across the property line, or dumping yard waste on golf course property. Please ensure that anything associated with your yard remains within your own property boundaries.

If you have a concern about an area of the golf course that directly affects your property, we encourage you to speak with golf course management. In many cases, reasonable requests can be discussed and addressed cooperatively.

Please also be mindful that any unauthorized changes to golf course property may require the golf club to undertake corrective work. Where expenses are incurred to restore property as a result of unauthorized use, there may be financial consequences for the homeowner responsible.

Our hope is that these matters can be avoided through communication and consideration of our neighbouring properties.

2. Walking on the Golf Course

A friendly reminder that **walking on the golf course is not permitted**. The course is private property and is not available for non-golf-related recreational use, including during the winter months when the course may appear quiet or inactive.

We appreciate everyone's cooperation in respecting the golf course property and using designated community and public areas for walking and recreation.

3. TRCA Office Administrator - Upcoming Unavailability

Please note that the TRCA Office Administrator will be unavailable from **September 20th to October 4th**.

If you have questions or concerns, or are planning to book the lounge during this period, please submit your request **before September 20th**.

Emails received at trcacommittee@gmail.com after September 20th will be responded to after October 4th.

Thank you, as always, for your understanding, cooperation, and consideration of our neighbours. Working together helps keep Tower Ranch a welcoming and enjoyable community for everyone.

**Kind regards,
TRCA**
